REACH HIGHER
STUDIO
Live Production & Podcast
Services, in Southern Utah

REACH HIGHER Performance Center also houses a Production Studio and Podcast Facility.

The Reach Higher Studio is a Black Box studio environment that provides a blank slate for your production needs. For live broadcasts, we offer three studio cameras capable of Full HD Live Broadcasts over YouTube, Facebook, Zoom, or your platform of choice. For local recording we support up to 4k UHD Production for your next TV commercial spot. The full service studio provides cameras, lighting, switching, and production technicians.

The studio space is also available for rent for your **DIY Video Productions** or **Photography Projects**. Rentals are available for Hourly, Half-Day, and Full-Day productions.
